Rahul Tanwar
Motion Graphic & Video Editor

✆ 9991220224 | ✉ rahultanwar100@gmail.com

Creative and detail-oriented **Video Editor and Motion Graphics Artist** with proven expertise in producing compelling visual narratives, engaging video content, and high-impact digital assets. Skilled in motion graphics, post-production editing, visual storytelling, sound design, and professional videography—including lighting setup, microphone handling, camera operation, and end-to-end execution. Strong ability to translate client and brand objectives into polished, cinematic, and audience-focused video outputs. Passionate about innovation and committed to delivering videos that elevate brand identity, enhance engagement, and exceed expectations.

Education

ADVANCE VISUAL EFFECTS — **2019 - 2021**
Maya Academy of Advanced Creativity — *Connaught Place, Delhi*

BACHELOR OF ARTS — **2010 - 2015**
Dronacharya Government College — *Gurugram, Haryana*

Experience

CENTRICITY WEALTHTECH — **May 2023 - Present**
Video Editor — *Gurugram, Haryana*

- Lead complete video production for the **Centrishala YouTube Channel**, managing **pre-production to post-production** including scripting support, camera handling, lighting setup, microphone setup, shoot execution, and final delivery.
- Shoot and edit a diverse range of video formats including **podcasts, educational tutorials, short-form videos, full-length market updates, and YouTube shorts**, ensuring high-quality storytelling and visual consistency.
- Edit raw footage into polished, brand-aligned final outputs, integrating **motion graphics, animated elements, colour correction, audio enhancement, and sound design** to elevate viewer engagement.
- Solely responsible for all video-related operations within the marketing team, handling **every aspect of production independently**, including planning, shooting, editing, and final delivery.
- Lead and manage video content creation for **Centricity Wealth Tech's social media platforms** (Instagram, Facebook, LinkedIn), producing daily **motion graphics, static posts, festive creatives, team event highlights, and post–business trip content**.
- Create **character-animated explainer videos** for products, services, and IPO launches, using Adobe Character Animator and After Effects to simplify complex concepts into engaging visual stories.
- Conceptualize and create **Success Story / Journey Videos** capturing business trips, achievements, and team milestone, showcasing strong narrative and visual communication.
- Collaborate with cross-functional teams to ensure all video content aligns with Centricity's brand identity, campaign objectives, and market communication standards.

Key Achievements

- Awarded the **Shooting Star Award** at Centricity WealthTech in May 2026.
- Awarded the **Rising Star Award** at the company's Bangkok offsite for exceptional performance and contribution.
- Honoured with the **CEO's Choice Award** at the Bangkok offsite as part of the Best Turnaround Team, recognising outstanding impact on a high-value project.

- Recognised for **excellent creative and execution work** across multiple company business trips over the last three years, including Jaipur, Goa, and Bangkok, delivering high-quality videos and content end-to-end.
- Appreciated for significant contributions to major annual events such as **Elevate 2023, Elevate 2024, Elevate 2025, and Elevate 2026**, ensuring consistent, high-standard video production and visual communication.

FOTOGRAFIK ENTERPRISES PVT LTD **Sep 2020 – May 2023**
Trainer/ Photoshop Artist *Remote*

- Joined on a contract basis and converted to a permanent position within just six months due to **exceptional performance and consistency**.
- Worked as a Photoshop Artist, **handling high-quality image editing, retouching, and visual enhancement** tasks with precision.
- Managed and executed **Special Instruction Files**, ensuring **accuracy, creative alignment, and timely project completion**.
- Occasionally contributed as a **Trainer**, guiding new team members on workflows, editing standards, and production best practices.

FREELANCING
Video Editor, Motion Graphics & VFX Artist

- Working as a Freelancer, delivering professional **video editing, VFX cleanup**, and **creative digital content** for various clients.
- Skilled in **Chroma Removal, Motion Tracking, Rotoscoping, Masking, and Clean Plate Creation** using NUKE, Mocha, and PF Track, ensuring seamless visual output.
- Created **Logo Animations**, dynamic **Motion Graphics**, and visually appealing animated elements for **brand intros, promos, and social media content**.
- Expertise in **Photo Manipulation, Matte Painting, Poster Design, and high-end creative edits** using Adobe Photoshop.
- Proficient in creating **GIFs, Motion Posters, and Animated Visual Assets** using Adobe After Effects, maintaining smooth transitions and accurate detailing.
- Capable of handling complete project workflows independently—from **client communication to final delivery**—ensuring polished, on-brand, and high-impact results.
